National company for complementary industries Presents:

Certificate of appreciation to:

Medad Consultant Engineers

Hussein Assaad & Partners

We appreciate and certify the efforts introduced in your Integrated Designs for our company's factory and administrative building at Al-Obour City, Cairo, Egypt.

The task included full designs for the company's factory and administrative building on the land plot no. 11 - Block 13025 - Industrial Area - Al-Obour (about 5000 m²). The buildings were a 5000 m² metal Hanger 10m high (basement and ground floor) and an administrative building from concrete skeleton (basement, ground and first floor about 1200 m²).

We certify the good performance, high efficiency, commitment to quality, accuracy of design and perfection of **MEDAD CONSULTANT ENGINEERS**.
